If you can kill extra pumpkins, it will also count. Be the best at exploding Pumpkins!Key Features:13 Levels to Play!Lots of enemies and traps. Note from the Developer: I have done all the graphics, pixel artwork, level design, programming myself except for the music.

This is like an early-2000s freeware game. If you were on the Clickteam/GameMaker scene at the time, you've seen many games like this, and better than this, for free. So, the Leader of all the pumpkins commanded all of them to attack the human race with an ambition to rule over the world.

The engine isn't great and can be a bit buggy, and every time a pumpkin touches you, it's an insta-kill. This really isn't a very good game. Each level (except for a couple of boss levels) is just killing a certain number of pumpkins (which keep spawning until you reach your quota) and then realising to the exit. Not super bad or anything, but just amateur and too generic. The sort of game programmers make to get experience and hone their skills. The first level is impossible because the enemies don't spawn fast enough I can't imagine the rest of the game will work as it should.
